**BELLA CASA**

The image shows a contemporary bedroom with a central bed. The bed is dressed in a brown duvet with a subtle, repeating pattern and matching pillows. The headboard is a wide, low-profile wooden panel with vertical slats. To the left of the bed is a modern bedside table with a wooden top and a metal frame, holding a vase of red flowers and a small coffee cup. Behind the bed is a large window with a dark frame, partially covered by light green, textured roller shades. The window offers a view of a city skyline at night. The wall above the window is composed of large, light-colored rectangular panels. To the right of the bed, a vertical wooden panel features a large, abstract floral artwork in shades of green, yellow, and pink. The floor is covered in light-colored tiles, and a patterned rug is placed under the bed. The overall lighting is soft and warm, creating a cozy atmosphere.
